# Message from the Chair

Claire Pentin

Dear Candidate,

Thank you for your interest in becoming a Trustee on the Board of Citizens Advice Halton. It is an opportunity to be a leading part of a charity which helps some of the least well-off people in our community.

I have been a trustee of Citizens Advice Halton for over eleven years and **I am continually impressed by the dedication and enormous passion our volunteers and paid staff have for helping people** to find a way forward with the problems they face.

Each year we help over 5,000 local people, and give advice on around 20,000 different issues. We offer a range of specialist advice and support services, such as debt, welfare benefits, budgeting, employment, housing, consumer, for people of all ages and conditions.

The role of the Trustees is to make sure that the organisation lives within its means and plans for the future. We take ultimate responsibility for the work of our volunteers and paid staff. It is sometimes challenging, but always rewarding to be part of an organisation which is able to help and advocate for some of the most disadvantaged members of our community.

As you will appreciate, **with the current Cost of Living crisis the work of Citizens Advice Halton has never been more desperately needed**, demand from the public is significantly high, and we operate in a very a challenging financial environment. So, we have to become:

- More innovative in our approach,
- More accessible to people who need our help,
- More effective in harnessing the talents of local people interested in joining our team, and
- More vociferous in our Research & Campaigning work (our advocacy).

Following a refresh of our Trustee board, my fellow Trustees and I wish to **appoint up to five new Trustees** with any of the following experience and/or skill sets:

- A connection with Halton
- Lived experiences of the types of issues affecting our clients
- HR/Personnel
- Finance
- Marketing & Communications
- Partnership working within Public Health/NHS/Local Authority
- Legal

Experience of working with boards or committees is not essential, we will offer support and training if required.

My fellow Trustees and I are also **committed to increasing the diversity of our Board** (and our thinking) at Citizens Advice Halton. To that end, we particularly welcome applications from people we would like to see better represented on our Board – women, people of colour, LGBTQ+ people and disabled people.

If you are interested in any of these roles then please do get in touch to discuss the opportunity further or you can **download the application form by clicking [here](#)**.

## Ex-offenders

**Citizens Advice have an ex-offenders' policy to ensure that ex-offenders are treated fairly.**

Having a criminal record is **not** in itself a barrier, and we will only take relevant convictions or sexual offences into account. We consider each offence individually, looking at issues like risk to staff and clients, how long ago it took place, the circumstances and whether they are relevant to the volunteer role. Some roles may require DBS checks.

Anyone with a caution or conviction for a sexual offence against a child or vulnerable adult is considered unsuitable to volunteer.

We will ask about unspent convictions as part of the application process. If you're concerned or would like to discuss your individual circumstances further, please contact us.

## Entitlement to work or volunteer

If you are from outside the EU / EEA, it's important you check you are permitted to volunteer as a Trustee or carry out 'unpaid work' in addition to your main reason for entering the country, to avoid jeopardising your visa status.

If you cannot find the answer clearly on your immigration documentation, contact the UK Border Agency ([www.gov.uk/contact-ukvi-inside-outside-uk](http://www.gov.uk/contact-ukvi-inside-outside-uk))
